ODADAS SFY 2011 CFRO Report Instructions

Reporting Period

Due to ODADAS

July 1, 2010 to December 31, 2010

January 31, 2011

January 1, 2011 to June 30, 2011

September 30, 2011

Number of clients who were carried over from a previous reporting period, and continued to receive services during this six month reporting period.

For the reporting period of July 1, 2010 to December 31, 2010

This is the number of clients who were admitted into the program prior to July 1, 2010 and received services during this six month period.

For the reporting period of January 1, 2011 to June 30, 2011

This is the number of clients who were admitted into the program prior to January 1, 2011 and received services during this six month period.

Number of clients who were admitted during the reporting period.

This is the number of clients who were admitted into the program during this six month period.

Number of clients who were discharged (successfully, unsuccessfully or neutrally.)

This is the number of people who completed the program, were terminated by the program or neutrally discharged by the program during this six month period and will not be served by the program in the succeeding six month period.

Number of clients maintained in the program and will be carried over to the next reporting period.

This is the number of clients who will continue to receive program services in the next reporting period.

Aggregate outcome data for clients discharged during the first reporting period.

The following information is derived only from clients discharged successfully, unsuccessfully or neutrally from the program during this six month period.

Number of drug tests administered.

The total number of all drug tests given to discharged clients.

Number of drug tests with negative results.

The total number of drug tests given to discharged clients that provided negative results.

Number of alcohol tests administered.

The total number of all drug tests given to discharged clients.

Number of alcohol tests with negative results.

The total number of drug tests given to discharged clients that provided negative results.

Number of re-arrests (new charge while in the program).

This is the filing of a new criminal charge or delinquency filing with the exclusion of traffic offenses except: OVI, Hit/Skip and Fleeing/Alluding. It does include parole violations or probation violations. Do not include if the offense took place prior to admission into the program.

Number of recommitments to DRC, or jail (because of re-arrest).

Include only those clients who were committed to DRC or jail as a result of the re-arrest (see above definition). Include parole or probation violations.

Number of clients who successfully completed the program.

The number of clients who were successfully discharged during the reporting period.
